

## Safe, Independent, and Connected... OnTheGo Elite

### MAKE YOUR LIFE BETTER. ALWAYS SAFE AND IN TOUCH.

Anelto's mPERS OnTheGo Elite 4G Elite Series products allows seniors to feel safe, independent and connected, and allow them to stay in their homes longer. Anelto's Elite provides quick access to an emergency call center from literally everywhere, utilizing the latest call technology and sensors. It's a Unique capability that's easy to use:

- **Enhanced audio capability for easy to hear voice prompts, crisp speaker output, and adjustable microphone sensitivity**
- **Advanced location technology**
- **Separate voice button for voice reminders from call center, friends, and family**
- **Easy-to-use Caregiver app to allow a quick look at your loved one's daily activity**
- **Long lasting battery that can be monitored by service provider and caregiver**
- **Stylish, discrete, water-resistant wearable to accessorize with your daily activities**

### NEXT GENERATION RELIABILITY AND UNMATCHED ACCURACY

Anelto's Elite Series products operate on 4G cellular networks and utilize the latest Global Positioning Satellites (GPS), Wi-Fi, and highly accurate in home sensors for accuracy you can trust.
